

# I DOUBLED MY PRODUCTION INCOME BY JUST SWABBING MY WELLS!

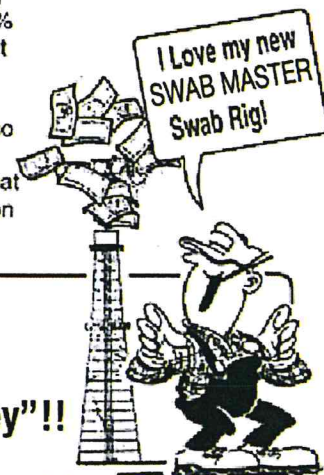

Regular swabbing eliminates the fluids that restrict the free flow of my wells .... The freer my wells flow, the greater my profits!

Your new SWAB MASTER All-Hydraulic Swabbing Rig is fast, powerful and easy for one man to operate. Best of all, it's field proven to work hard and live a long, productive life.

Put Tiger General's fast, dependable, SWAB MASTER all-hydraulic swabbing rigs to work for you. Tiger General's 21st century, all-hydraulic technology is 35% more efficient than old fashioned chain-and-sprocket drives. 100 horsepower put into your SWAB MASTER delivers at least 92 horsepower to the drum, far more useable power than the 1910 designs of all the other manufacturers.

The power delivered by SWAB MASTER translates into speed and efficiency, so much so, you'll be delighted with your SWAB MASTER'S performance and compact size! Tiger General has put the "beef" where it's needed, so expect great results and a 20-year life from SWAB MASTER. Call us today for all the details on SWAB MASTER.
